9. The then Foreign Minister Fernando Narango visited India from February 27 to March 5, 1997, which was the first ever visit by any Foreign Minister from Costa Rica to India.

#### **Bilateral Agreements:**

1. MOU on Technical Cooperation, July 2015
2. MOU for Cooperation between FSI and Costa Rican Diplomatic Academy, March 2015.
3. MOU on Economic Cooperation in April 2013
4. MOU on Regular Foreign Office Consultations 2008
5. MOU for setting up of Centre for Excellence in Information Technology (CEIT) in Costa Rica 2009
6. MOU between the Foreign Service Institutes of India and Costa Rica, March 2015.
7. MOU on Exemption from Visa Requirement for Holders of Diplomatic and Official and Service Passports (Pending)

First Foreign Office Consultations between India and Costa Rica were held in August 2012 in Costa Rica. Second round of FoCs was held on March 16, 2015 in New Delhi. The Indian delegation was led by Shri R. Swaminathan, Special Secretary (AMS&CPV) and the Costa Rican delegation was led by Vice Foreign Minister, Mr. Alejandro Solano Ortiz.

Minister of State for External Affairs, Gen (Dr.) V.K. Singh (Retd), led a delegation to Costa Rica on July 21-22 on his first official visit. The delegation, inter alia, was comprised of Ambassador Shamma Jain and Ms. Riva G. Das, JS (LAC). MoS

(VKS) held meetings with the Foreign Minister of Costa Rica, Mr. Manuel Gonzalez Sanz, the Vice President & Finance Minister, Mr. Helio Fallas Venegas, and the Minister of Foreign Trade, Mr. Alexander Mora. Discussions during the meetings with Costa Rican dignitaries covered the entire gamut of bilateral relations as well as regional and multilateral issues. MoS (VKS) extended an invite to the Vice President & Finance Minister Mr. Helio Fallas Venegas to visit India. An MoU on Technical Cooperation was signed. The visit of MOS(VKS) was considered as a significant step towards strengthening the relations further and enhancing the level of cooperation, in various fields.

### **GoI's Development assistance:**

India's assistance to Costa Rica includes, donation of photovoltaic equipment worth Rs.1.85 mn in 1997 for setting up a solar energy research laboratory for training purposes at the University of Heredia under the ITEC programme, donation of a telephone exchange to Costa Rica's telecom operator ICE in 1998, and a relief assistance of US\$ 25,000 to help rehabilitate flood victims in 1996. India also donated 18 Bajaj 3-wheelers in December 2005 to be used by the police department of San Jose. India donated \$ 100,000 for relief and rehabilitation of victims of Hurricane Tomas in November 2010.

An MOU for the setting up of a Centre of Excellence in Information Technology (CEIT) in Costa Rica was signed in September 2009. Government of India signed agreements with C-DAC and APTECH in March 2015 for setting up the Centre in Costa Rica in the National Technical University of Costa Rica, Alajuela. After installation of the hardware and associated equipment, the Center was inaugurated by Ambassador Shamma Jain and Ms. Carolina Vazquez, Deputy Minister for Science, Technology and Telecommunications, in March 2016. The Centre is now functional and 3 Aptech trainers have been deployed there since July, 2016, for a period of 2 years, to impart training to Costa Ricans.

### **Economic & Commercial Co-operation:**

The eco-friendly policies of Costa Rica motivated the country to import 50 Reva electric cars duty-free. Other exports include textiles, tubes, pharmaceuticals, and agrochemicals. Scorpio SUVs are imported in small quantities. Bajaj three-wheelers and two-wheelers are assembled in Costa Rica by MASESA, the leading importer and distributor of motorcycles in the country. India's imports from Costa Rica include, wood and wood products, leather and hides and oil seeds. Havells Sylvania group from India, which manufactures electrical products, has its Latin America headquarters in San Jose, Costa Rica, as well as a factory.

Though India's exports have seen a steady increase over the past few years, imports from Costa Rica plummeted after closure of the INTEL chip factory in 2014 in San Jose.

The main export items were comprised of automobiles, pharmaceutical products, textiles and clothing, motor cycles, organic chemicals, electrical machinery, and miscellaneous products like notebooks, cables, and tyres.

Major imports from Costa Rica, consisted of wood and articles of wood, integrated circuits and micro assemblies, optical medical or surgical instruments, and to a lesser extent, nuts, coffee, tea, glass and glassware. The imports of integrated circuits from Costa Rica fell by 55 % in 2014.

The Second Vice President of Costa Rica, Ms. Ana Helena Chacon Echeverria, accompanied by Mr. Alexander Mora Delgrado, Minister of Foreign Trade participated in the 6<sup>th</sup> India-Latin America and Caribbean Conclave held on October 8-9, 2015 in New Delhi.

A delegation from the Export Promotion Council of India Plastic (Plexconcil) visited Costa Rica on March 19, 2015 for conducting BSM with producers and buyers of plastics. The Ambassador also visited Costa Rica for the BSM. The 16-member delegation also discussed business partnerships with Costa Rica companies.

Capexil organized a Buyer Seller Meet at San Jose in November 2012. A CII delegation, led by MOS (C&I), visited Costa Rica in April 2013. An 8 Member delegation of software companies led by the Electronics and Software Export Promotion Council (ESC) of India participated in Costa Rica Technology Insight (CRIT) 2011 as well as June 2012. A delegation of six business houses organized by the Plastics Export Promotion Council of India (Plexconcil) visited San Jose in March 2010 to promote a

range of primary, intermediate and finished plastics products. A delegation of 6 IT Costa Rican Companies participated in India Soft in February 2009. Three Costa Rican software companies participated in India Soft 2008 organized by ESC in Hyderabad in March 2008. A delegation from the Electronics and Software Export Promotion Council (ESC) participated in the Costa Rican technology Fair—Costa Rica Technology Insights—in February 2008. A 19-member business delegation from the Costa Rican Export Promotion Council, CRECEX, participated in the India International Trade Fair 2007 organized in New Delhi on 14-27 November 2007.

Five leading IT companies, viz Infosys, Wipro, Cognizant, WNS, and CSS Corp are operating in San Jose. Costa Rica has emerged as a niche market for manufacturing of high-end medical devices, IT hardware and software, and logistics and BPOs services. 70 Costa Rican students and teachers from public and private universities underwent three month training at Infosys in Mysore in 2014 under a cooperation programme between the Ministry of Foreign Trade, Costa Rican Coalition for Development Initiatives and Infosys.

The ITEC programme is popular in Costa Rica and Costa Rica was allotted 15 ITEC slots for 2017-18 fiscal.

Mr. Esteban Barrantes Vasquez, an expert from the Ministry of Energy and Environment of Costa Rica, participated in the Advanced Orientation Program in Solar Energy Technologies, for the focal points of the International Renewable Energy Agency (IRENA) in April, 2017, held at the National Institute of Solar Energy (NISE), NCR.

### **Culture:**

There is a great deal of interest in India's history and cultural heritage in Costa Rica and much of the credit for this goes to Prof Hilda Chen Apuy who visited India on a UNESCO scholarship in the 1950's and introduced studies on Indian History, Philosophy and Sanskrit at the University of Costa Rica in San Jose. Prof Hilda's articles on India were published by the Public Diplomacy Division of our Ministry.

Co-operation in the cultural sphere has included performances of Indian cultural troupes, which have been visiting Costa Rica from time to time.

An ICCR sponsored Kuchipudi Classical Dance group led by Ms. Tirumalasetti Reddy Lakshmi, performed at the National Theatre, San Jose on 20<sup>th</sup> October, 2015 to an audience of over 600. The event was attended by several high dignitaries and received wide coverage in the local media.

After successful celebration of IDY in 2015 and 2016, over 200 Costa Ricans performed Yoga at the IDY 2017 event, organized by the Embassy of India, Panama in cooperation with local Yoga Institutes and the Indian Community in San Jose.

Ms. Wen Hsu, a prominent illustrator and author of children stories, visited India under Familiarization Programme, for eminent illustrators and literary personalities of XP Division, from 27 December 2014 to 6 January 2015.

Mr. Luis Alberto Munoz, Vice President of a prominent Spanish newspaper of Costa Rica *La Republica* visited India from 15-21 October 2014 under 'Familiarization Visit of Journalists from LAC Region', organized by the External Publicity Division of the Ministry

President Oscar Arias wrote the prologue for, and launched the Spanish version of Gandhiji's autobiography in Costa Rica in September 2008.

In July 2006, Costa Rica relaxed its visa regime by removing India from the Consultada [prior reference] category and allowing visitors from India to enter Costa Rica without visa for a period of 30 days. In August 2007, the visa regime for Indians wishing to visit Costa Rica was further relaxed when Indian nationals with valid US or Schengen visas were allowed to enter Costa Rica without a Costa Rican Visa.

### **Indian Community:**

The Indian Community of about 250 persons, consists mostly of IT professionals, taking advantage of Costa Rica's proximity to the US. It also includes businessmen, engaged in exports of wood, NGOs and the Missionaries of Charity. There are three Indian restaurants run by Indians. The Costa Rica Indian Association (CRIA) ([www.criandian.org](http://www.criandian.org)) established in 2010 has been active in organizing social and cultural programmes, as well as trade promotion activities, in collaboration with the Indian Embassy.
